# Little Chute

## AGENDA

### REGULAR BOARD MEETING

PLACE: Little Chute Village Hall  
DATE: Wednesday, March 15, 2017  
TIME: 6:00 p.m.

#### REGULAR ORDER OF BUSINESS

- A. Invocation
- B. Pledge of Allegiance to the Flag
- C. Roll call of Trustees
- D. Roll call of Officers and Department Heads
- E. Public Appearance for Items Not on the Agenda
- F. Other Informational Items—February Fire and FVMPD Monthly Reports
- G. Approval of Minutes  
*Minutes of the Regular Board Meeting of March 8, 2017*
- H. Public Hearing—Harvest Trail Paving Project
- I. Action—Adopt Resolution No. 8, Series 2017 Preliminary Assessment Resolution Declaring Intent to Exercise Special Assessment Powers for Harvest Trail
- J. Presentation—Fox River Boardwalk Feasibility Study Report and Findings
- K. Department and Officers Progress Reports
- L. Action—MS4 Report
- M. Discussion—Update on Mill Street Bridge
- N. Disbursement List
- O. Call for Unfinished Business
- P. Items for Future Agendas
- Q. Adjournment

## MINUTES OF THE COMMITTEE OF THE WHOLE MEETING MARCH 8, 2017

### Call to Order

President Vanden Berg called the Committee of the Whole meeting to order at 6:00 p.m.

### Roll Call

PRESENT: President Vanden Berg, Trustee Peterson, Trustee Peerenboom, Trustee Elrick, Trustee Van Lankvelt, Trustee Hietpas

ALSO PRESENT: J. Fenlon, Adam Breest, Jeff Elrick, Laurie Decker, Chief Misselt, Officer Slotke, Teri Matheny, Interested Citizens

EXCUSED: Jim Moes

### Public Appearance for Items not on the Agenda

Karen Tinkham, 520 Maple Drive who currently has five dogs stated she will be trying to sell her house soon and would like to keep all of her dogs until then but may be able to make other arrangements. Chief Misselt replied that a reasonable time frame needs to be established and he believes a month is adequate time.

### Approval of Minutes

Minutes of the Regular Board Meeting of March 1, 2017

*Moved by Trustee Smith, seconded by Trustee Peterson to Approve the Minutes of the Regular Board Meeting of March 1, 2017.*

Ayes 7, Nays 0 – Motion Carried

### Presentation—Dave Botz with LCASD discussing April 4, 2017 Referendums

Dave Botz, Little Chute Area School District Superintendent presented an overview of the two school referendum questions that will be on the ballot on the April 4, 2017 Spring Election. Question 1 is asking voters to authorize the District to exceed the revenue by \$275,000 a year for the 2017-2018 school year through the 2021-2022 school year for non-recurring purposes consisting of technology hardware, software, and infrastructure. Question 2 is asking voters to authorize the borrowing of an amount not to exceed \$17,770,000 for the public purpose of paying the cost of a school building and improvement program at the Intermediate/Middle/High School campus consisting of: infrastructure and site improvements, including building security improvements, roof, HVAC and electrical upgrades, and parking lot improvements; upgrades to the science, technology, engineering and math spaces; renovations and remodeling, including classrooms, the fitness center, kitchen and commons areas; construction of an addition for the consolidation of the school libraries and school offices; and acquisition of related furnishings, fixtures and equipment.

### Discussion/Action—Branding and Logo Direction

This item was tabled last week so all board members could be present to decide whether to clean up and create brand standards on our current logo or to look into creating a new logo and engaging our community on which one to choose.

*Moved by Trustee Elrick, seconded by Trustee Smith to move forward with the process of possibly changing the logo*

Ayes 7, Nays 0 – Motion Carried

### Discussion/Ammonia

In 2016, the Village noticed a rise in ammonia-nitrogen in the billing from the Heart of the Valley Metropolitan Sewerage District. In order to include ammonia-nitrogen to the present category B charges the ordinance needs to be amended so staff can test monthly instead of quarterly. Director Elrick will work with the Clerk on updating the ordinance and bring it back at a future meeting.

### Unfinished Business

None

**Items for Future Agendas**

Director Breest gave an update on tree tapping and stated attaching items to trees is prohibited but may start a Park's program in the fall on this topic.

**Adjournment**

*Moved by Trustee Elrick, seconded by Trustee Van Lankvelt to Adjourn the Committee of the Whole Meeting at 7:12 p.m.*

Ayes 7, Nays 0 – Motion Carried

**VILLAGE OF LITTLE CHUTE**

# Preliminary Engineer's Report

(Pursuant to Sec 66.0703(11)(b) Wisconsin Stats as Amended)

## Harvest Trail 2017 Concrete Paving Project

**Prepared For The  
VILLAGE OF LITTLE CHUTE  
OUTAGAMIE COUNTY, WISCONSIN**

**March 10, 2017**

---

1. This Engineer's Report, submitted on behalf of the above-named municipality, is prepared in compliance with Section 66.0703( I )(b), Wisconsin Statutes, and Section 66.0703(3), Wisconsin Statutes, as amended.
2. That all preliminary and final plans and specifications for the aforementioned municipal project are on file with the clerk of the municipality.
3. That following hereinafter is an estimate of the entire cost of the proposed work or improvements, either based upon the Engineer's estimates or based upon actual bids received for said proposed work or improvements by the named municipality.
4. That hereinafter follows an estimate, as to each parcel of property affected, of the assessment of benefits to be levied against each affected parcel.
5. The same is attached hereto and incorporated herein as a schedule of proposed assessments.
6. That it has been determined by the governing body of the aforementioned municipality and the Engineers for the municipality, that the property against which the assessments are made are benefited from said proposed work, improvements and installation of the same, and that all assessments are pursuant to Sections 66.0703( I )(b) Police Powers, and that said assessments are based upon a reasonable basis, as determined by said government body, mainly being construction costs assessment, including actual cost of construction, engineering fees, legal fees, posting and publication expenses.

Village of Little Chute

2017 Pavement Project

HARVEST TRAIL

**VILLAGE OF LITTLE CHUTE**  
(Outagamie County, State of Wisconsin)

**RESOLUTION NO. 8, SERIES OF 2017**

A PRELIMINARY ASSESSMENT RESOLUTION DECLARING INTENT TO EXERCISE SPECIAL ASSESSMENT POWERS UNDER CHAPTER(S) 61.36 AND AS APPLICABLE 66.0701, 66.0703 AND 66.0907, OF THE WISCONSIN STATUTES, AS AMENDED FROM TIME TO TIME (AND AS AMENDED OR MODIFIED BY VILLAGE ORDINANCE).

BE IT RESOLVED by the Village Board of Trustees, Village of Little Chute, as located in Outagamie County, State of Wisconsin, as follows:

1. That the Village Board of Trustees, Village of Little Chute, hereby declares its intention to exercise its police powers under Chapter(s) 61.36, and as applicable 66.0701, 66.0703 and 66.0907 of the Wisconsin Statutes as amended from time to time (and as amended or modified by Village Ordinance) to levy special assessments/lookup fees upon specially benefited property within the following-described area for improvements upon said property:

**a) DESCRIPTION OF SPECIAL ASSESSMENT/HOOKUP FEE PROJECT:**

- Harvest Trail from East Evergreen Drive to Buchanan Road—Concrete paving, storm sewer, and new concrete driveway aprons with associate sidewalk section

The special assessments as may be hereinafter determined shall be levied upon all real estate fronting roadways within the above-described area; or individual properties within an area thereby benefited.

2. Said improvements shall include the required cost of construction and installation, including total construction costs, engineering fees, attorneys' fees, and publication expenses, and Village administrative costs and fees.

3. The Village Board hereby determines that all such municipal improvements shall be made under Chapter(s) 61.36, and as applicable 66.0701, 66.0703 and 66.0907 of the Wisconsin Statutes, as applicable Sec 16-87 of the Village Code of Ordinances amended from time to time (and as amended or modified by Village Ordinance) and that the amount assessed against each abutting parcel is based upon a reasonable basis, being total construction and material costs, including engineering fees, attorneys' fees, publication expenses, Village administrative fees and costs, and other appropriate special assessment proceeding costs. The Village Board of Trustees further determines that all said improvements benefit the property described in Paragraph 1 above.

4. The assessments against abutting property owners (or property owners within the area of special assessment) may be paid in cash or in the number of installments to be determined at the Public Hearing on the proposed assessments and according to the Final Resolution of the Village Board of Trustees of the Village of Little Chute as may be hereinafter adopted.

5. The Village Engineers and/or Village Director of Public Works are directed to prepare an Engineer's Report and/or Director of Public Work's Report consisting of:

- a. Preliminary and final plans and specifications for said improvements.

- b. An estimate of the entire, final, total cost of the proposed construction and installation, including costs of construction, materials, engineering fees, attorneys fees, publication expenses, Village administrative fees and costs, and other appropriate costs of special assessment proceedings.
- c. A schedule of proposed assessments against abutting property prepared under the terms and conditions of Section 66.0701, 66.0703 of the Wisconsin Statutes, and/or Village Ordinance Sec. 16-87 as applicable, as amended from time to time.
- d. The Engineer's Report and/or Director of Public Work's Report shall state that all such assessments are based upon a reasonable basis, being total construction and material costs, and additional direct or indirect costs as specified above, and that all said special assessments benefit the property(s) being assessed.

Upon completing said Engineer's Report/Village Director of Public Work's Report, the Village Engineers or Village Director of Public Works is directed to file a copy of the same in the office of the Village Clerk for public inspection.

Upon receiving the Engineer's Report/Village Director of Public Work's Report, the Village Clerk is directed to prepare and publish a Class One Notice of a Public Hearing on said Report and upon the Preliminary Special Assessment Resolution, as specified in Chapter 66.0703 (7)(a), of the Wisconsin Statutes, or as otherwise set forth in Village Ordinance Sec 16-87 as applicable as amended from time to time, which Notice of Public Hearing shall state the place and time at which the Report may be inspected and the place and time at which all persons interested, or their agents or attorneys, may appear before the Village Board of Trustees for the Village of Little Chute and be heard concerning the matters contained in said Special Assessment Preliminary Resolution and the Village's Engineer's Report or Village Director of Public Work's Report, which shall be a Public Hearing thereon. A copy of the Notice of Public Hearing, together with a scale map (if available) showing the general boundary areas of the proposed assessment district/area, shall be mailed at least ten (10) days before the hearing date to all interested persons whose post office addresses are known. The Public Hearing shall commence not less than ten (10) days nor more than forty (40) days after publication.

**The Public Hearing will be held in at the Village Hall, 108 W. Main Street, Little Chute, Wisconsin 54140, Outagamie County, State of Wisconsin, at 6:00 p.m. on Wednesday, March 15, 2017.**

Date approved and adopted: March 15, 2017

**REQUEST FOR BOARD'S CONSIDERATION**

ITEM DESCRIPTION:	MS4 Annual Report
REPORT PREPARED BY:	Jeff Elrick
REPORT DATE:	March 15, 2017
ADMINISTRATOR'S REVIEW / COMMENTS: No additional comments to this report <u>JPE</u> See additional comments attached _____	
EXPLANATION	
<p>Each year the Village of Little Chute needs to submit an annual report to the DNR for their Municipal Separate Storm Sewer Systems (MS4) permit. One of the provisions is for the Village Board to be apprised of the Annual Report and provided with an opportunity to comment. No formal resolution is needed.</p>	
RECOMMENDATION: Review MS4 permit	

Due by March 31, 2017

**Notice:** Pursuant to s. NR 216.07(8), Wis. Adm. Code, an owner or operator of a Municipal Separate Storm Sewer System (MS4) is required to submit an annual report to the Department of Natural Resources (DNR) by March 31 of each year to report on activities for the previous calendar year. This form is being provided by the DNR for the user's convenience. Personal information collected will be used for administrative purposes and may be provided to the extent required by Wisconsin's Open Records Law [ss. 19.31-19.39, Wis. Stats.]. This form is for reporting on activities undertaken in calendar year 2016.

**Instructions:** Complete each section of the form. If additional space is needed, attach additional pages. Provide descriptions that explain the program actions taken to comply with the general permit. Complete and submit the annual report by March 31, 2017, to the appropriate address indicated on the last page of this form.

**Part I. Municipal Information**

Name of Municipality <b>Village of Little Chute</b>	Facility ID No. (FIN) <b>31108</b>		
Mailing Address 108 W. Main Street	City <b>Little Chute</b>	State <b>WI</b>	ZIP Code <b>54140</b>
County(s) in which Municipality is located <b>Outagamie</b>	Municipality Type: (select one) <input type="radio"/> County <input type="radio"/> City <input checked="" type="radio"/> Village <input type="radio"/> Town <input type="radio"/> Other (specify)		

**Part II. Municipal Contact Information**

Name of Municipal Contact Person <b>Jeffrey F. Elrick</b>	Title <b>Director of Public Works</b>		
Mailing Address (if different from above)	City	State	ZIP Code
Email <b>jeff@littlechutewi.org</b>	Phone Number (Include area code) <b>(920) 423-3865</b>	Fax Number (Include area code)	

Has the contact person changed in the last year?  Yes  No

**Part III. Certification**

I hereby certify that I am an authorized representative of the municipality covered under MS4 General Permit No. WI-S050075-2 for which this annual report is being submitted and that the information contained in this document and all attachments were gathered and prepared under my direction or supervision. Based on my inquiry of the person or persons under my direction or supervision involved in the preparation of this document, to the best of my knowledge, the information is true, accurate, and complete. I further certify that the municipality's governing body or delegated representatives have reviewed or been apprised of the contents of this annual report. I understand that Wisconsin law provides severe penalties for submitting false information.

Authorized Representative Printed Name <b>Jeffrey F. Elrick</b>	Authorized Representative Title <b>Director of Public Works</b>
Signature of Authorized Representative	Date
Email <b>jeff@littlechutewi.org</b>	Phone Number (Include area code) <b>(920) 423-3865</b>
	Fax Number (Include area code)

**Part IV. General Information**

a. Describe the municipality's efforts to invite the municipal governing body, interest groups, and general public to review and comment on the annual report.

The Village of Little Chute Board agenda is posted in the Village Hall and on the Village website. During the meeting the general public, board members and staff are provided time to ask questions and comments on the annual report.

b. Describe how the municipality has kept elected and municipal officials and appropriate staff (such as operators, department heads, and those that interact with the public) informed of the municipal storm water discharge permit and its requirements.

During the year Public Works officials along with staff attend various seminars and workshops to keep up to date on storm water issues and requirements. With this information the DPW Director keeps elected officials and municipal officials apprised of the municipal storm water requirements.

c. Has the municipality prepared or updated its own municipal-wide storm water management plan during the reporting year?

If yes, provide the title and date of storm water management plan and list any updates:

Yes  No

**Village of Little Chute Stormwater Management Plan (dated December 21, 2007)**

If yes, has the information been submitted to the Department?

Yes  No

**Part IV. General Information (continued)**

d. During the reporting year, has the municipality entered into a written agreement with another municipality or a contract with another entity to perform one or more of the conditions as provided under section 2.10 of the general permit?  Yes  No

If yes, describe these cooperative efforts:

The Village of Little Chute is an active member of Northeast Wisconsin Stormwater Consortium (NEWSC). NEWSC contributes in the stormwater permit compliance, including: public education material for distribution, creating public involvement programs and drafting model ordinances for member use.

If yes, has the information been submitted to the Department?  Yes  No

e. If the municipality has an internet website, is there current information about or links provided to the MS4 general permit and/or the municipality's storm water management program?  Yes  No

If yes, provide web address:

<http://www.littlechutewi.org>

**Part V. Evaluation of Permit Conditions (Section 2 of General Permit)**

**Minimum Control Measures:** For each of the permit conditions listed below, provide an evaluation of program compliance with the general permit.

**1. Public Education and Outreach (Section 2.1 of General Permit)**

Description of Program(s)	Use municipal website to educate & promote the stormwater program. Display educational materials. Please refer to the Village of Little Chute Stormwater Management Plan (dated December 21, 2007)
Measurable Goal(s)	Hits on websites, number of information material taken Please refer to the Village of Little Chute Stormwater Management Plan (dated December 21, 2007)
Result(s) Achieved	The Village has seen an increase use of the Village website. Information material was down from previous years due to only one location. Previous years Municipal Building also had informational material located at that site, but due to building of a new municipal service building that was eliminated.
Describe any planned changes to program.	Village of Little Chute and NEWSC continue to make changes to reach out to residents. See additions from NEWSC Stormwater Management Activities report.

**2. Public Involvement and Participation (Section 2.2 of General Permit)**

Description of Program(s)	Hold public hearings & meetings for the stormwater program. obtain public input Develop Partnerships Please refer to the Village of Little Chute Stormwater Management Plan (dated December 21, 2007)
Measurable Goal(s)	Number of public hearings identified Please refer to the Village of Little Chute Stormwater Management Plan (dated December 21, 2007)
Result(s) Achieved	There were meeting which had storm water issues discussed at meeting See NEWSC SWMP Report
Describe any planned changes to program.	

**3. Illicit Discharge Detection and Elimination (Section 2.3 of General Permit)**

Description of Program(s)	Conduct field screenings and routine inspections Please refer to the Village of Little Chute Stormwater Management Plan (dated December
---------------------------	--

**Part V. Evaluation of Permit Conditions (continued)**

Description of Program(s)	21, 2007)
Measurable Goal(s)	Please refer to the Village of Little Chute Stormwater Management Plan (dated December 21, 2007)
Result(s) Achieved	
Describe any planned changes to program.	

**4. Construction Site Pollutant Control (Section 2.4 of General Permit)**

Description of Program(s)	
Measurable Goal(s)	
Result(s) Achieved	
Describe any planned changes to program.	

**5. Post-Construction Storm Water Management (Section 2.5 of General Permit)**

Description of Program(s)	
Measurable Goal(s)	
Result(s) Achieved	
Describe any planned changes to program.	

**6. Pollution Prevention (Section 2.6 of General Permit)**

Description of Program(s)	
Measurable Goal(s)	
Result(s) Achieved	
Describe any planned changes to program.	

**• Storm Water Management Facilities (Section 2.6.1 of General Permit)**

List any new municipality owned or operated structural storm water management facilities (ponds, biofilters, etc.) added in the last year.

There were no new municipality owned or operated structural storm water management facilities added in 2016.

**• Routine Inspection and Maintenance (Section 2.6.2 – 2.6.4 of General Permit)**

Does the municipality have an inspection and maintenance program for installed structural storm water management facilities?

Yes  No

Describe the inspection and maintenance program and any activities that have occurred for structural storm water management facilities in 2016. If available, attach any additional information on the inspection and maintenance program.

Describe the street sweeping and catch basin cleaning efforts, and the disposal of waste.

The Village of Little Chute 56.5 miles of streets are swept biweekly during the spring, summer and fall.

**Part V. Evaluation of Permit Conditions (continued)**

The Village of Little Chute 56.5 miles of streets are swept biweekly during the spring, summer and fall.

• Winter Road Management Activities (Section 2.6.5 of General Permit)

Provide the name, title, and phone number of the individual(s) with overall responsibility for winter roadway maintenance.  
Jeffrey F. Elrick, Director of Public Works (920)423-3865

Describe the types of products used for winter road management (e.g. deicing, pre-wetting, salting, etc.).

Salt brine for pretreating streets,  
Rock salt for ice and after snow plowing

Report the amount of product used by month over the last winter season (approx. November 2015 through April 2016).

Month	Brine	Salt
November 2015	700 gallons	
December 2015	1,700 gallons	60 tons
January 2016	1,050 gallons	180 tons
February 2016	1,400 gallons	225 tons
March 2016	2,200 gallons	120 tons
April 2016		

Report the snow disposal locations, if applicable.

1401 East Elm Drive, Little Chute, WI

Describe anti-icing, equipment calibration, and salt reduction strategies.

Public Works will pretreat major streets, hills, intersections, railroad crossings.

Equipment calibration is done visually.

The Village salt reduction strategies is only intersections, hills, railroad crossings and major streets.

Describe any other additional data or information used to evaluate the winter road management activities.

Operations Manager will observe operation when salt is being used to make sure the right amount is being distributed.

Village crew has meetings prior to winter and throughout the winter months to find ways to improve the process.

• Leaf Management (Section 2.6.6 of General Permit)

Describe the management of leaves and grass clippings.

The Village of Little Chute has a yard waste site and also collects leaves and grass clippings curbside. During the summer months, bags of yard waste are collected every Wednesday which requires a \$2.00 sticker. In fall the Village staff have sweepers, leaf vacuums and leaf pan picking up leaves and grass clippings curbside. An estimated four hundred fifty cubic yards (450) of yard waste is collected from curbside collection and dropoff site.

Village street sweepers collected one hundred fifty (150) tons of debris which were deposited at Outagamie County Landfill.

• Municipal Pollution Prevention (Section 2.6.7 of General Permit)

Provide the location (street address) of each facility (municipal yards and/or maintenance facilities) and contact information (name, title, and phone number) for the individual(s) with overall responsibility for each facility.

900 Randolph Drive is the Village temporary municipal yard/maintenance facilities.

Jeffrey F. Elrick, Director of Public Works, (920) 423-3865

Map(s) included?  Yes  No - Include a map of each facility, drawn to scale and include the following features:

- Location of major activities and storage areas
- Identification of drainage patterns, potential sources of storm contamination and discharge points.
- Identification of nearby receiving waters or wetlands

**Part V. Evaluation of Permit Conditions (continued)**

■ **Identification of connections to the permittee's MS4**

Describe the housekeeping activities and best management practices installed at municipal yards and/or maintenance facilities to reduce or eliminate storm water contamination.

Housekeeping is limited because of the size of the yard and building also the building was not designed to handle municipal equipment. Staff tries to keep area clean. BMP for this site is having equipment maintenance out sourced and village staff doing minimum maintenance.

Discuss recommendations for improvements to current storm water management practices at the facility(s) and provide a timeline for installation and/or implementation of these recommendations.

The Village of Little Chute Municipal Building will be completed in the fall of 2017.

Provide information on facility inspections. Identify and address potential sources of storm water contamination.

Facility inspections were regularly done after rainfalls. No documentations were done

Describe the municipal facility(s) employee training on storm water pollution prevention (frequency, duration, objectives, percentage of employees trained this year, etc.).

During 2016 training was very minimal due to amount of time to move to the temporary municipal site.

Describe the spill prevention and response procedures in place at the municipal facility(s).

Please refer to the Village of Little Chute Stormwater Management Plan (dated December 21, 2007)

**7. Storm Water Quality Management (Section 2.7 of General Permit)**

Has the municipality completed a pollutant-loading analysis to assess compliance with the 20% TSS reduction developed urban area performance standard?

Yes  No

If yes, provide the following: Model used winslamm Version 10.2 Reduction (%) 49.5

If no, include a description of any actions the municipality has undertaken during 2016 to help achieve the 20% standard.

**8. Storm Sewer System Map (Section 2.8 of General Permit)**

Describe any changes or updates to the storm sewer system map made in the reporting year. Provide an updated map if any changes occurred during the reporting year.

No updated changes were done in 2016.

**Part VI. Fiscal Analysis**

a. Provide a fiscal analysis that includes the annual expenditures for 2016, and the budget for 2016 and 2017. A table to document fiscal information is provided on page 8.

b. What financing/fiscal strategy has the municipality implemented to finance the requirements of the general permit?

Storm water utility  General fund  Other

c. Is adequate revenue generated to implement the storm water management program and meet permit requirements?

Yes  No

**Part VI. Fiscal Analysis (continued)**

Please provide a brief summary of the municipality's financing/fiscal strategy and any additional information that will assist the Department in understanding how storm water management funds are being generated to implement and administer the storm water management program.

**Part VII. Inspections and Enforcement Actions**

**Note:** If an ordinance listed below has been submitted to the Department previously and has not been amended since that time, a copy does not need to be submitted again. If the ordinance was previously submitted, indicate such in the space provided.

a. Has the municipality amended its illicit discharge detection and elimination ordinance in accordance with subsection 2.3.1 of the general permit during the reporting year?  Yes  No

If yes, attach copy or provide web link to ordinance:

b. Has the municipality amended its construction site pollutant control ordinance in accordance with subsection 2.4.1 of the general permit during the reporting year?  Yes  No

If yes, attach copy or provide web link to ordinance:

c. Has the municipality amended its post-construction storm water management ordinance in accordance with subsection 2.5.1 of the general permit during the reporting year?  Yes  No

If yes, attach copy or provide web link to ordinance:

d. Has the municipality adopted any other ordinances it has deemed necessary to implement a program under the general permit (e.g., pet waste ordinance, leaf management/yard waste ordinance, parking restrictions for street cleaning, etc.) during the reporting year?  Yes  No

If yes, attach copy or provide web link to ordinance:

e. Provide a summary of available information on the number and nature of inspections and enforcement actions conducted during the reporting period to ensure compliance with the ordinances described in a. to d. above.

**Part VIII. Water Quality Concerns**

a. Does any part of the MS4 discharge to an outstanding resource water (ORW) or exceptional resource water (ERW) listed under s. NR 102.10 or 102.11, Wis. Adm. Code? (A list of ORWs and ERWs may be found on the Department's Internet site at: <http://dnr.wi.gov/topic/surfacewater/orwerw.html>)  Yes  No

If yes, list:

b. Does any part of the MS4 discharge to an impaired waterbody listed in accordance with section 303(d)(1) of the federal Clean Water Act, 33 USC § 1313(d)(1)(C)? (A list of the most current Wisconsin impaired waterbodies may be found on the Department's Internet site at: <http://dnr.wi.gov/water/impairedsearch.aspx?status=303d>)  Yes  No

If yes, complete the following:

- Impaired waterbody to which the MS4 discharges:  
Apple Creek and Fox River

- Description of actions municipality has taken to comply with section 1.5.2 of the MS4 general permit for discharges of pollutant(s) of concern to an impaired waterbody:

The Village has been working to achieve the 40% TSS and reducing the TP in runoff to the Lower Fox River. When stormwater and street construction projects are engineered, they are designed to help meet those standards.

**Part VIII. Water Quality Concerns (continued)**

c. Identify any known water quality improvements in the receiving water to which the MS4 discharges during the reporting period.

No water quality testing was done in the receiving waters to identify improved water quality.

d. Identify any known water quality degradation in the receiving water to which the MS4 discharges during the reporting period and what actions are being taken to improve the water quality in the receiving water.

No water quality testing was done in the receiving waters to identify water quality degradation.

e. Does any part of the MS4 discharge to an approved Total Maximum Daily Load (TMDL) area (Section 1.5.4 of the general permit)?

Yes  No

If yes, fill out below. If no, disregard.

Required reporting for TMDLs approved prior to the effective date of the permit for 2016:

Name of TMDL: Lower Fox River Basin Date TMDL approved? 05/18/2012

Map(s) included?  Yes  No - Submit a storm sewer system map (may be the same map submitted under section V.6. of this form), which includes the TMDL reachshed boundaries and associated acreage within the municipality, and the MS4 drainage boundaries and associated acreage within the municipality.

**Part IX. Proposed Program Changes**

Describe any proposed changes to the storm water management program being considered for 2017 and the schedule for implementing those changes. Proposed program changes must be consistent with the requirements of the general permit.

**Part X. Other**

Any other municipal storm water program information for inclusion in the Annual Report regarding their storm water program may be added here or attached.

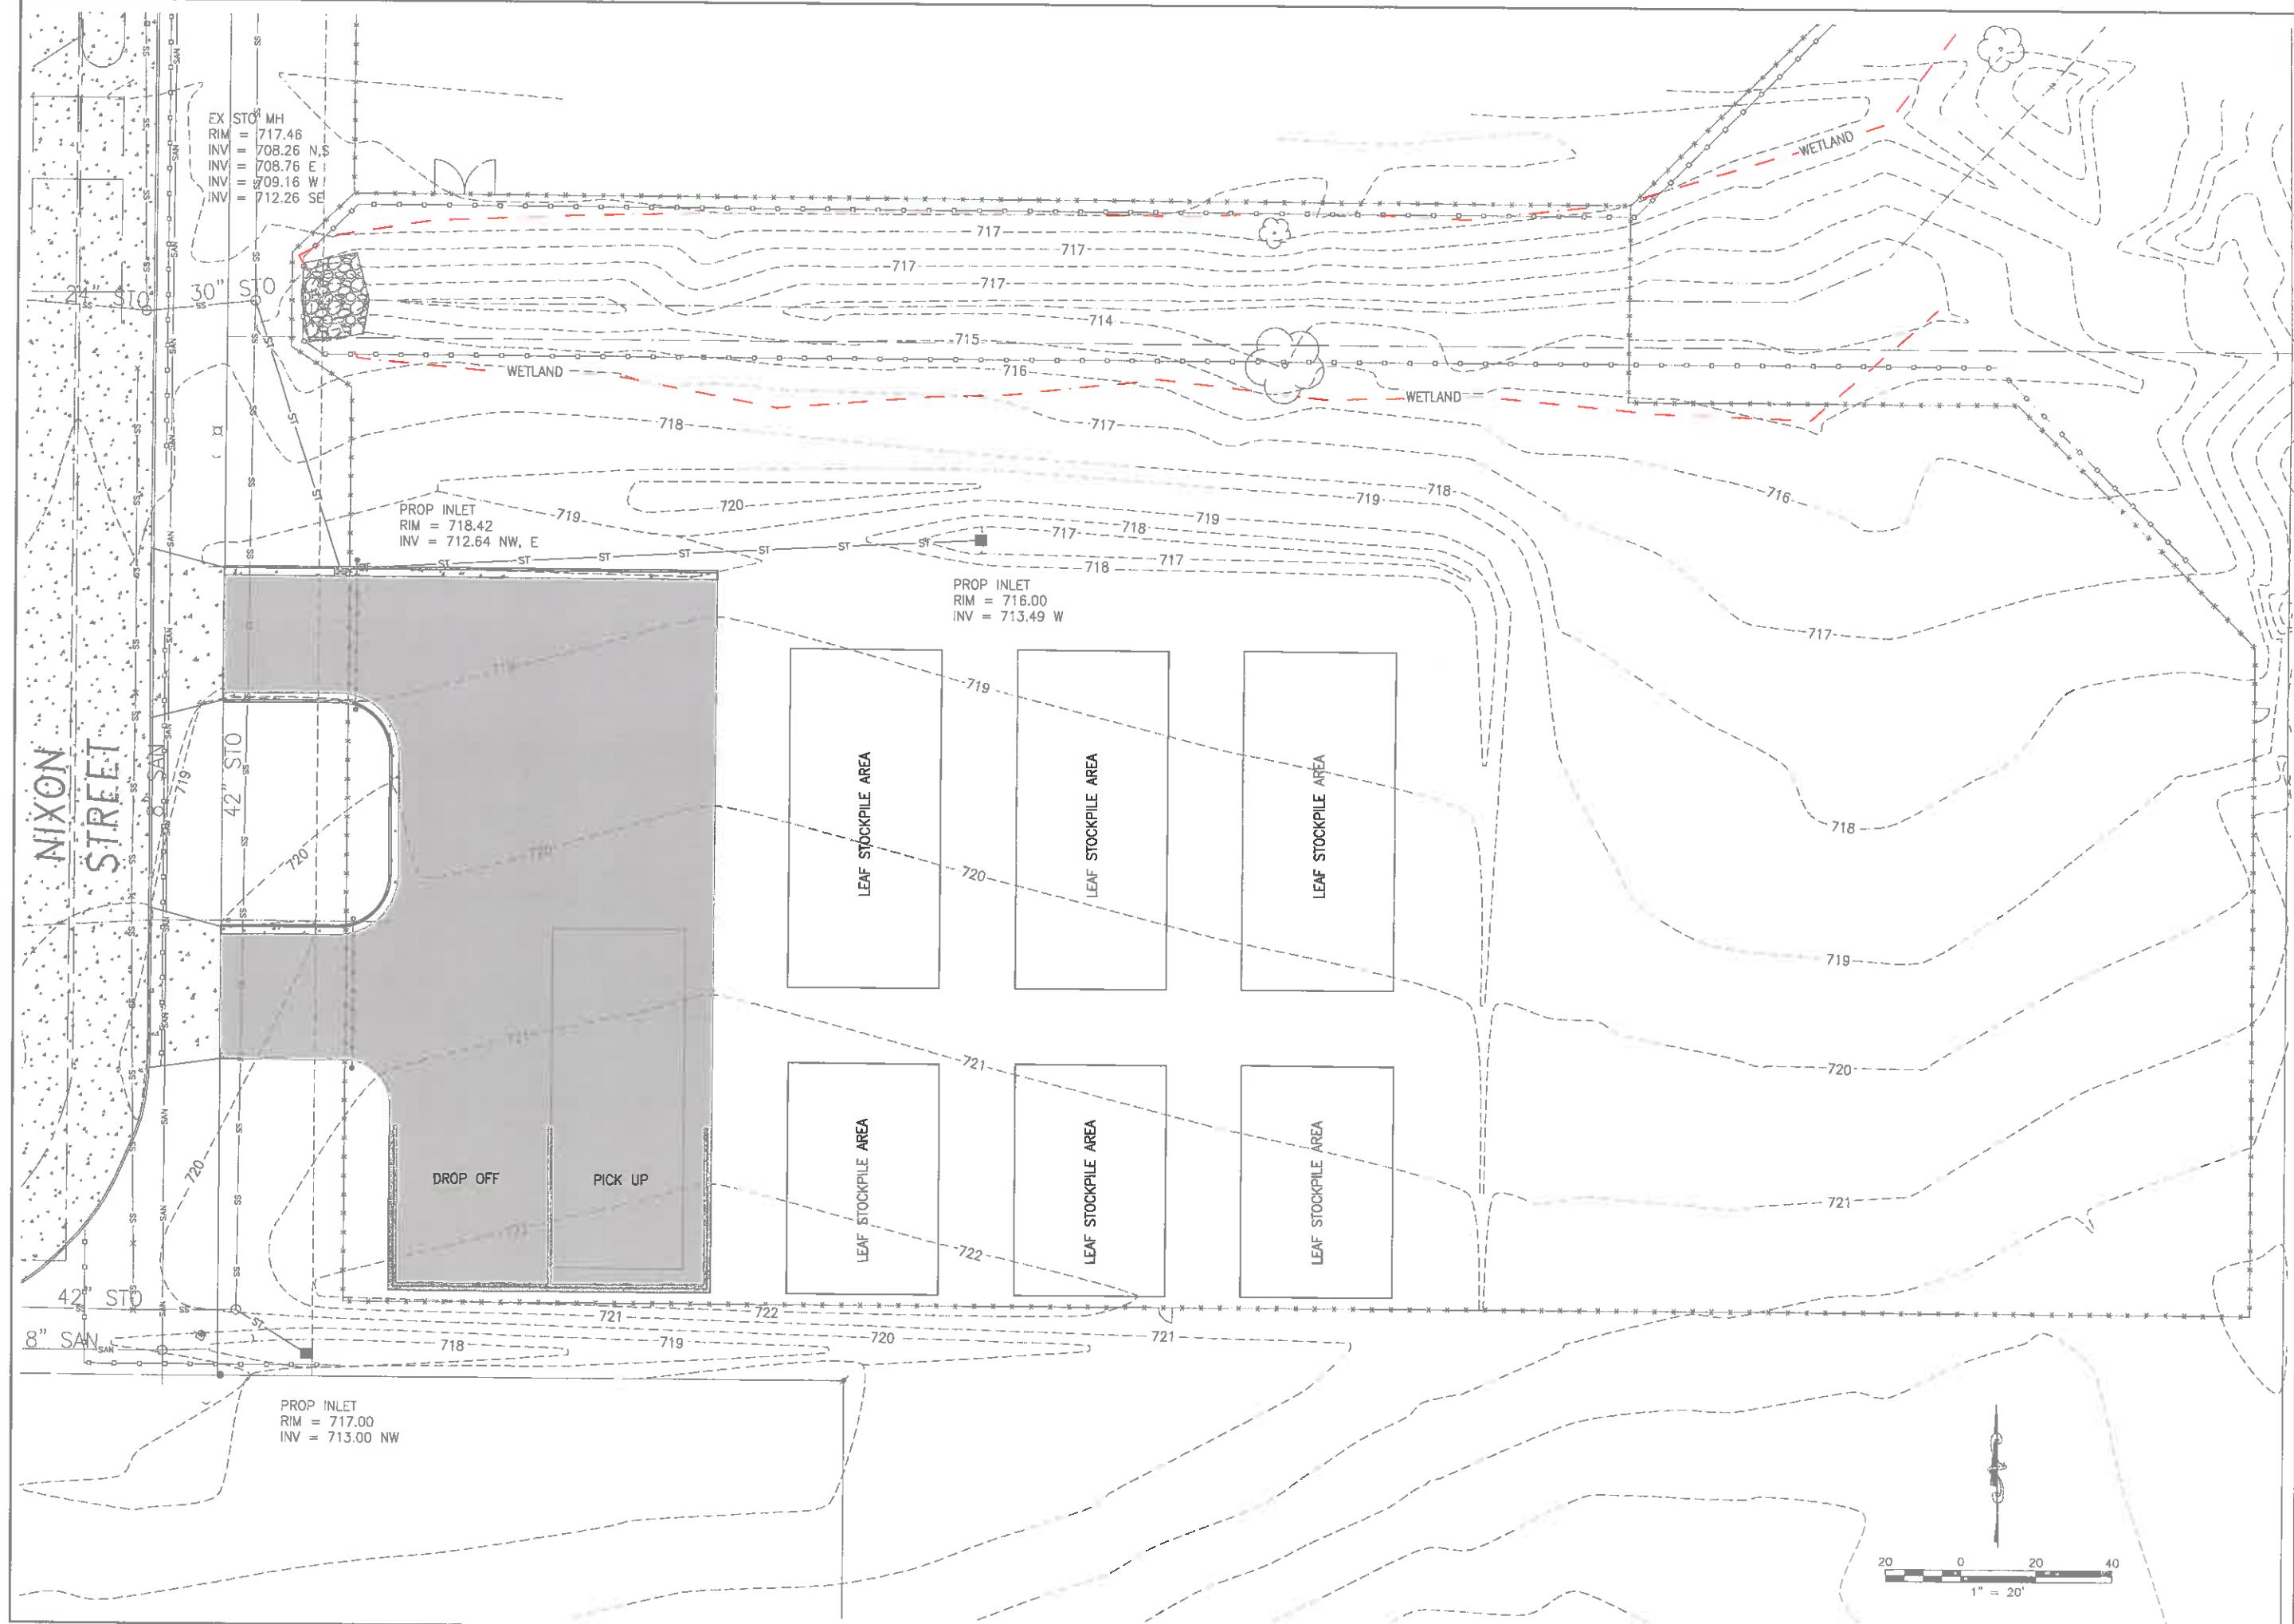

**Fiscal Analysis Table.** Complete the fiscal analysis table provided below.

<b>Program Element</b>	<b>Annual Expenditure 2016</b>	<b>Budget</b>		<b>So</b>
		<b>2016</b>	<b>2017</b>	
Public Education and Outreach	\$3,500	\$3,100	\$2,000	Storm Water Utility
