CHECK OUT A NEW FEATURE OF OUR VILLAGE OFFICIAL WEBSITE

by Charles P. Kell, Village Administrator

The Village's Official Website now offers a direct public access portal (link) to the Village's Geographic Information System and Village Maps. This access portal can be found on the left side of the Village's Home (front) page of the website, www.littlechutewi.org under Quick Links. Click on the Geographic Information System and Maps and the portal will open and allow you to view and print Village parcel information and Village maps. Parcel information can be searched by house number and street name but not by owner name as a security protection for the public. The map layers available for public viewing include parcel information, natural resources, water feature, Village districts, zoning classifications, public safety features, contour elevations, and aerial photography of the Village.

We invite our citizens and businesses to utilize this system and the information available to you. If you need assistance with utilization of this system and information portal please feel free to contact our Village GIS/LIS Manager, Tammy Castonia at 920-788-7380 Ext. 207 or email at tammy@littlechutewi.org. Tammy will be happy to assist you with any problems you might encounter trying to utilize the GIS.

The public GIS portal is a scaled back version of the Geographic Information database available for Village employee use on a daily basis intended to improve staff efficiency and improved quality and availability of our land records in the Village. The total data system includes such things as the location of sewer, water and storm sewer lines,

(NEW FEATURE OF WEBSITE CONTINUED FROM FRONT PAGE)

hydrant locations and information, water valve locations and information, manholes, as-built drawings, inspection sheets and other extensive information about the Village's infrastructure system. This information is not available to the general public based on recommendations and limitations imposed under the National Security Policies to protect America's Homeland.

We hope you will find the public information convenient, helpful and of value as you enjoy access to this new emerging technology and feature of our Official Village Website.

DELINQUENT UTILITY BILLS

Customers are reminded to clear up any delinquent utility balances by October. The Little Chute portion of the Kaukauna Utility (KU) monthly bill is made up of water, sewer, storm water, and refuse charges. Property owners of both owner occupied and rental property are notified in October if there is an unpaid balance. Under state statute, any delinquent balances are added to the owner's December tax bill if they are not paid in October. If the unpaid balance must be added to the tax bill, then an automatic 10% penalty is added to the balance. Please make every effort to pay as soon as possible if you find yourself in this situation. Payments are made to KU by mail, in person, or by credit card. Contact the KU office if you have any questions.

① A customer may verify their account balance online by using a password protected account which only they have access to at www.kaukaunautilities.com, or call the KU office directly at 766-5721. During the year, it is recommended for owners to periodically monitor the status of their rental property utility accounts by calling the KU office.

**FOX VALLEY METRO
POLICE DEPARTMENT**
"Partnerships in Policing"
<http://www.foxvalleymetro.org>

Crime Prevention

"Partnerships in Policing" is the FVMPD's mission. Please partner with the FVMPD to reduce crime in Kimberly and Little Chute.

1. **Lock your car doors.** Thieves often check for unlocked car doors; then rummage through cars for items to steal.
2. **Never leave items in plain sight.** If you leave valuable items such as GPS units, digital cameras, purses, wallets, and CD cases in your vehicle place them in the glove box, center console, or trunk. Then make sure to lock the vehicle.
3. **Never leave keys in car or ignition.** Not only will thieves steal your belongings but they may take your car for a joyride. A vehicle, with the keys left inside, was recently taken and crashed causing damage to the vehicle and residential property.
4. **Close overhead garage doors at night and lock service doors.** Thieves may target your garage if given the opportunity.
5. **Report suspicious activity.** FVMPD Officers can't be everywhere so citizens are our eyes and ears to the community. The most recent example was a citizen observing suspects checking for unlocked car doors. Due to the citizen reporting the observation quickly stolen property was recovered. Please immediately report suspicious activities. Officers will respond and identify the person(s) and their activities.

**Trick or Treat
Hours
Sunday,
October 31, 2010
5:00-7:00 PM**

Overnight Parking Ban

The overnight parking ban becomes effective December 1st. No overnight parking is allowed on Village streets or Village parking lots between 2:00 a.m. and 6:00 a.m. Violators will be issued parking tickets. ① The Police Department may grant special permission to park on the street during the ban. Contact them at 788-7512 ext. 1411.

Neighborhood Watch

Neighborhood Watch is a crime prevention program that enlists the active participation of citizens, in cooperation with law enforcement, to reduce residential crime. ① If you are interested in participating or starting a Neighborhood Watch Program in your neighborhood, please call Community Support Officer, Jeff Steeber at Fox Valley Metro Police Department, 788-7505 or email at 616@fvmpd.org.

Unsolved Crimes

The Fox Valley Metro Police Department is seeking public assistance in resolving unsolved crimes.

① Individuals providing information on crimes in our area can remain anonymous and receive a reward for the successful capture of suspected criminals by calling Fox Valley Metro Police Department at 920-788-7505 or call Crime Stoppers at 920-788-9090.

- Lewd and lascivious behavior, on Sunday, July 4, 2010, at Heesakker Park, 1509 E. Lincoln Avenue, Little Chute. An unknown male exposed his genitals to a lady and her child. Reference incident #10005890.
- Arson of property, on Tuesday, Sept. 15, 2009, at Sunset Park, 300 Sunset Park Road, Kimberly. An unknown person or persons lit the observation deck on fire. Reference incident #09010175.

Citizen's Police Academy

Fox Valley Metro Police Department is sponsoring a Spring Citizen's Police Academy.

The Citizen's Police Academy

- Provides the Citizen and Police Officer a chance to meet and talk about the law enforcement profession as performed at the Fox Valley Metro Police Department. This can aid the citizen in understanding not only what the police do but how they do it and why. It also gives the Officers a chance to meet their customers and find out what services they expect and to what standard.

- Citizens have a chance to ride with an on-duty police officer.

- Discuss and learn about such topics as Police School Liaison Program, Investigations, Traffic law, Legal Issues, Police Weapons, OWI and much more.

The Citizen's Police Academy is open to individuals who are at least 18 years old with no criminal record. Preference will be given to people who live or work in Little Chute, Kimberly or the Kimberly Area School District.

There is no cost for this program. Dates and times: TBA

④ To enroll or get information on the Citizen's Police Academy, stop in or call the Fox Valley Metro Police Department (920) 788-7505 or email Community Support Officer, Jeff Steeber, at 616@fvmpd.org.

Fox Valley Metro's Website

Visit Fox Valley Metro Police Department's website at <http://www.foxvalleymetro.org> for information on available programs and upcoming events.

Reminders from the Little Chute Volunteer Fire Department

Reporting a Fire! After calling 911, if the person making the 911 call is present at the address that the fire is located at, please leave a light on or be present in front of the structure to provide directions to the Fire Department. Doing this will provide great assistance to the Fire Department. This assistance is very important if the fire is located in an apartment complex or larger structure.

GERARD H. VAN HOOF MEMORIAL LIBRARY/CIVIC CENTER NOTES

A SUMMER OF FUN AT THE LIBRARY

The library has been a fun place to be this summer, with nearly 1,400 children, teens, and adults participating in the summer reading program. Weekly events included the Soda Pups, Magic with Bruce Hetzler, SKI concert, Marvelous Manatees, Scuba Girl, and more. Thank you to everyone who participated, to our performers, and to our community sponsors! Please check out the list of sponsors on our web site at <http://www.kimlit.org/slp-sponsors.asp> and thank them at your next visit to their business. We're thankful for a busy summer and for the generous support of our community.

GOT BOOKS?

The Kimberly-Little Chute Public Library does, and they're priced just right for you! Come on in and check out some great deals on used books in our ongoing book sale. Adult books, including fiction, nonfiction, biographies, and large print, are all priced at a very affordable \$1.00 each. We also have plenty of paperbacks and older children's books priced at \$.50 each. All proceeds from the book sale go to the Friends of the Kimberly-Little Chute Public Library (FOLKS). The Friends then help fund programming, collections, and other special needs for the library. The book sales are filled with materials removed from the library collection or from donations from community residents, so the content changes quite often.

Consider recycling your reads and donating them to the library for the book sale! We welcome your donations, but do not accept encyclopedias, textbooks, or magazines. Your support, either in purchasing books or donating them for the sale, would be most welcome.

FUN PROGRAMS BEING OFFERED THIS FALL

Families will have lots of fun opportunities to enjoy programming at the library this Fall! Weekly story times began on September 13 and it goes through

October 28. Get ready for stories, songs, rhymes, and fun with Miss Ann and Miss Jill. These half-hour weekly events are free for children from birth through age six and their caring adult. We're also adding **Book Babies Story Time on Tuesdays in October.** It's never too early to read together! Enjoy rollicking rhymes, bright books, and merry music with your little one during this twenty-minute program for babies birth-18 months old and their parents/caregivers. Bring a pillow to sit on and get ready for some great cuddle time.

We're also excited to announce a new project called "**Pooches and Page Turners.**" Kids will get the chance to read to Compassionate Canines therapy dogs on Saturday mornings. The program kicked off on September 11th, with weekly sign-ups now available. This is a great way to encourage reluctant readers to share a story with a furry friend. All dogs are registered therapy dogs and have met strict health and temperament requirements.

FRIENDS OF THE LIBRARY 3RD THURSDAY PROGRAM

Save the date for an evening of exploring the paranormal. The Friends of the Library (FOLKS) will be presenting a 3rd Thursday program on **October 21st** featuring Chad Lewis, a paranormal researcher and author for *Unexplained Research*. From tracking vampires in Transylvania and chasing the Chupacabras in Puerto Rico, to searching for the elusive monster in Loch Ness, and pursuing ghosts in Ireland's castles, Chad brings over 13 years of research experience to his presentations.

Keep your eye on our web site at <http://www.kimlit.org/> for times, locations, and additional information about these exciting programs. We'll also be adding information about Family Movie Nights and other special events we're lining up for this Fall. Check back often and join in on the fun!

PARKS, RECREATION, AND FORESTRY DEPARTMENT NEWS

PARK SHELTER RENTALS

The current policy on park shelter rentals allows the public to reserve shelters up to one year in advance. ① Park shelters can be reserved for use from May through September by calling the Park & Rec Dept at 788-7390. Information on park shelters (shelter choices, locations, pictures, rental fees) is located on the village website at www.littlechutewi.org/parks.

SUCCESSFUL YOUTH PROGRAMS

The 2010 Summer Programs have completed another successful year. We contribute the success of the programs to the fine staff of college and high school students who worked this summer. A special thanks to staff coordinators Kim Hooyman, Robb Valentyn, Teddy Van Thiel, David Schepp, Hannah Bell, Taylor Kloehn, and Taylor Schepp.

SPECIAL THANK YOU

A special thank you is given to all the volunteer coaches for all their help with the recreation programs this year. Without your help, commitment, and loyalty, our programs would not be as successful as they are!

END OF YEAR TOT LOT CARNIVAL

Thanks to numerous sponsors, the end-of-year Tot Lot Carnival on Wednesday, August 18, was a terrific success that was truly enjoyed by the kids. The carnival was held outdoors at Legion Park, and included various games, inflatables, prizes, a dunk tank, balloon creations, trackless train rides, and a DJ. A special **THANK YOU** to the generous sponsors of this year's event.

2010 Sponsors: Applebees, Appleton YMCA, ATCAM, Badger Sports Park, BLC Community Bank, Bill's Auto, Building Services Group, Burger King, Butch's Pizza, Capital Credit Union, Cedar Creek, Checkered Flag Sports Bar, Cherrylands Best, Coenen's Auto Tech, Createch, Culvers,

BRUSH PICKUP POLICY

① Little Chute property owners/renters **MUST CALL IN** their property address to the Park, Rec, & Forestry Dept at 788-7390 (ext. 202) to have their address added to the brush chipping list. If calling after hours, leave a message that you have brush out and include your complete street address. When the brush pickup list is sufficient enough to send out the chipping crew, they will be sent to the addresses on the list. If you don't call in your brush, you will not be picked up. If you hire a company to trim and/or take down trees on your property, they are responsible for brush removal; the Village will not pickup brush trimmed by a company you hired.

Brush Pickup Rules - Place your branches curbside with the cut ends facing the same direction; stack piles neatly. Mobile home park residents must bring their brush to the nearest Village street (streets within the mobile home parks do not belong to the village). Brush should never lie in the street or on the sidewalk. **KEEP BRUSH AS**

(CONTINUED ON PAGE 8)

(BRUSH PICKUP CONTINUED FROM PAGE 7)

STRAIGHT AND AS LONG AS POSSIBLE. Brush that is shorter (4 feet in length or less), thorny brush, and evergreen branches need to be bundled with string, not wire. Brush that is too short in length to bundle must be placed in a plastic yard waste bag with a yard waste sticker attached (see public works article on yard waste disposal).

SENIOR ACTIVITIES PROGRAM

Are you looking for a place to meet new people or have some fun with your friends? Then come to the Senior

Activities Program held in room N2 at the Gerard H. Van Hoof Memorial Library/Civic Center on Wednesdays from 1:00 p.m. to 3:00 p.m. & on various Fridays from 1:00 p.m. to 2:30 p.m. Activities have been planned by our senior activities coordinator, Sharon Jansen, such as cards, bingo, and luncheons. The schedule of activities planned for Wednesdays and for Fridays is posted at the LC library/civic center and on the village website at www.littlechutewi.org/seniors. There is no charge for participation (unless a special activity is planned) and there is no registration necessary (except for special luncheons); just come when you can and bring someone along! The Senior Activities Program is available to Little Chute residents/taxpayers age 55 or older, and they can bring their friends too.

Thank you Little Chute Garden Club Members

Once again you helped to make Little Chute attractive this summer by planting and caring for the flowers in the flower pots located downtown and throughout the Village. Your dedication to making Little Chute look inviting and beautiful is greatly appreciated.

- Large non-metal items ONLY will be picked up on your LAST garbage pickup day of November.

DATES TO REMEMBER IN DECEMBER 2010:

- Friday, December 24, business garbage will be picked up on Thursday, December 23.
- Monday, December 27, garbage will be picked up on Tuesday, December 28.
- Friday, December 31, business garbage will be picked up on Thursday, December 30.
- Recycling days during the week of December 27-31 remain the same as usual.
- **Extra bagged garbage will be picked up on your LAST garbage pickup day in December.**
- Large non-metal items ONLY will be picked up on your LAST garbage pickup day of December.

E-WASTE RECYCLING

(computer monitors, TV's, printers, towers, copiers, fax machines, DVD's, VCR's, keyboards, telephones, & cell phones)

As of September 1, 2010 the Village crew stopped picking up electronics curbside because according to Wisconsin's electronics recycling law, disposing of electronics in the landfill is banned.

The Village crew will be looking for hidden e-waste in residents' garbage containers, and will remove them and not pick them up. **The Village will have zero tolerance with hidden e-waste, and residents will receive a citation if we find electronics inside of their garbage container. If hidden e-waste is found in the waste stream, it could result in higher sanitation fees to residents.**

For a listing of local Wisconsin DNR registered E-waste collectors/recyclers, please go to www.RecycleMoreOutagamie.org and click on electronics. If residents go to the Outagamie County Solid Waste Facility to recycle their electronics, their fees are as follows: Monitors, TV's, printers, towers, copiers, and fax machines - \$5.00 each; DVD's, VCR's, keyboards, telephones, and cell phones - *free* of charge.

① You may request an E-waste brochure to be sent to your home by calling the Outagamie County Recycling Hotline at 1-800-501-1616.

“NEW” 2010 HOUSEHOLD HAZARDOUS WASTE CLEAN SWEEP PROGRAM

The Household Hazardous Waste Clean Sweep program has changed. Residents may now dispose of their hazardous materials 12 times per year at the Outagamie County Solid Waste facility located at 1419 Holland Road, Appleton. The program runs from May through October on the following collection days and times:

- The first Wednesday of the month from 8:00 a.m. to 12:00 p.m.
- The third Saturday of the month from 7:00 a.m. to 11:00 a.m.
- **Appointments are required** by calling 920-832-5277, option #3.

OUTAGAMIE COUNTY MEDICATION DROP

Outagamie County residents now have the opportunity to dispose of unused and unwanted pet and human medications at **two** convenient locations.

1. **Appleton Police Department**
222 Walnut Street, Appleton
(open 24 hours a day, 7 days a week)
2. **Seymour Police Department**
306 N. Main Street, Seymour
(Monday-Friday 8 a.m. to 4 p.m. only)

📍 For more info, visit www.OCdrugdrop.org or call 832-5277, option #2.

PUBLIC SAFETY ANNOUNCEMENTS - TARPING AND SAFETY VEST

All open loads of solid waste or recycling material delivered to the Outagamie County Department of Solid Waste by a car, truck, trailer, or other vehicle must be secured and covered with a tarp. Any load not secured and covered with a tarp will need to pay an additional \$10.00 fee, for which a tarp will be issued, otherwise unloading will *not* be allowed.

Also as of September 1, 2010 all residents and haulers who transport waste materials to the Outagamie County Department of Solid Waste using a “dump trailer” to unload in the Transfer Station Building, are required to wear a safety vest. Any person found without a safety vest, will be supplied a vest for an additional \$3.00, otherwise unloading will *not* be permitted.

ROOTBALLS FROM SHRUBS

Rootballs are considered garbage. If the rootball is small enough to fit inside of your garbage polycart, it should go in there. If it is too big for your polycart, it should be placed curbside on your last garbage day of the month. Place it at least 4' away from your garbage polycart.

STORM DRAINAGE PROBLEM AREAS

For those areas with storm water flooding problems, one thing that would assist with reducing the water amount that does run through our sewers would be to disconnect downspouts from the storm lateral.

By having downspouts hooked directly to lateral lines or mini sewer lines, the water is traveling in a faster mode, thereby, causing backups and flooding situations. Contrary to what you probably have been told over the years, mini-sewers with laterals are not designed to handle downspouts, only sump pumps. By placing the water back on your lawn, it lengthens the time for the water to reach the street and then the catch basin, thus, giving the storm sewers more time to catch up with the flow. It also allows for infiltration into the soil, thereby, reducing the amount of water entering the storm sewer.

A REMINDER - SUMP PUMP DISCHARGE

From NOVEMBER 15 THROUGH APRIL 15 of each year no sump pump discharge shall be allowed to flow on or across a sidewalk or public street or public right-of-way within the Village. All sump pump discharge shall be directed to flow to the backyard of the property. Any property owner who is in violation shall be fined. At no time may a sump pump discharge into the sanitary sewer.

WINTER REFUSE COLLECTION

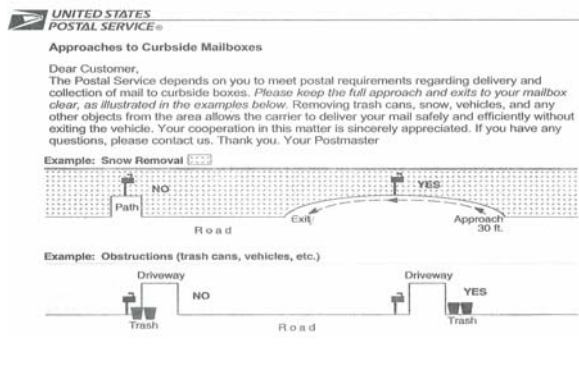

Polycarts cannot be placed on top of snowbanks. Polycarts must be placed at least 4' away from snowbanks and any other object; therefore, they should be placed in your driveway apron at the edge of the road.

POSTAL REQUIREMENTS WITH MAILBOXES

It is the resident's responsibility to make sure that the Post Office can access your mailbox. In the winter, please clear the area around your mailbox of snow.

Please check the height and set back of your mailbox. The Village will *not* replace your mailbox if we hit it with a plow or other street maintenance equipment.

SALT BARRELS

Salt barrels are located around the Village at locations that can become slippery during the winter months. The salt and sand in these barrels can be used by motorists to get better traction for their vehicles. There will be a can inside the barrel for spreading the salt. Please return the can and put the cover on the barrel when finished. These barrels will be checked periodically, but if you should find one empty, please call the Department of Public Works at 788-7395, give us the location, and we will refill it.

SNOW PLOWING AND SNOW REMOVAL

Since winter is just around the corner, the Village Street Dept. is getting ready for snow plowing and removal. During and after a major snowstorm, the priority will be to clear and salt the primary streets first. Therefore, we would appreciate your cooperation in keeping your vehicles parked off the streets if possible. This will enable the crew to plow more efficiently. After all streets are cleared, the Village crew will strive to remove snow from the business district within 24 hours. The Village Board has adopted a new snow operations policy. This policy consists of three different classes of snow emergencies. Snow emergencies will be declared by the Village President and Administrator, and will be broadcast by the local media.

The Snow Emergency Classes are as follows:

Class I

- A. No parking on any Village street from 2:00 a.m. to 6:00 a.m.
- B. No special permission granted by Police Department.
- C. Vehicles found in violation are ticketed and removed.

Class II

- A. Odd-even parking on Village streets from 6:00 a.m. to 2:00 a.m.
- B. No parking on any Village streets from 2:00 a.m. to 6:00 a.m.
- C. No special permission granted by Police Department.
- D. Vehicles found in violation are ticketed and removed.

Class III

- A. No parking on any Village street at anytime until canceled.
- B. Vehicles found in violation are ticketed and removed.

PRIVATE SNOW REMOVAL

Please check the height and set back of your mailbox. The Village will *not* replace your mailbox if we hit it with a plow or other street maintenance equipment.

Please keep fire hydrants and walkways cleared of snow in case of an emergency. For the safety of pedestrians within the Village, an ordinance is in place that requires that sidewalks be entirely cleared of ice and snow no later than 24-hours after each snowfall. When sidewalks remain snow or ice covered, the Village may notify the owner, occupant or lessee to clear sidewalks within a stated time period.

If, after notification has been attempted, sidewalks remain uncleared, the Village will clear the ice and snow and will bill its services to the owner, occupant or lessee. If the amount assessed is not paid within 30 days after it is billed, the Village Clerk shall place the amount due plus finance charges on the next succeeding tax roll as a special charge pursuant to Wisc. Statutes and the Village Ordinances. Also, remember that it is unlawful to deposit any snow or ice from any private property onto any public street or alley, public or private sidewalk or public lands.
