We understand that all players on our team must be age 18 by April 30th in order to play in this league. We understand that we are allowed to have up to 6 non-residents on our team for an additional \$15/non-resident fee and that all other players must either live or own property in Little Chute or have graduated from Little Chute High School. We understand that falsifying player eligibility will lead to the team's removal from this league and the loss of the team fees paid.
