

FOX VALLEY METRO POLICE DEPARTMENT

2018 Annual Report

Reading and Using this Document

We hope this report provides you with some useful information about the Fox Valley Metro Police Department. While we feel this report represents a fair and accurate depiction of our activities and services for the year 2018, it cannot be all inclusive.

In line with taking advantage of current technology, we are including in this report, links to external information sources that may provide you with more information about certain topics or areas of the department.

Throughout this document you may notice objects like the one below. These are called "QR Codes". A **Quick Response Code** is the trademark for a type of matrix barcode (or two-dimensional barcode) first designed in 1994 for the automotive industry in Japan. A barcode is a machine-readable optical label that contains information about the item to which it is attached.

Source: https://en.wikipedia.org/wiki/QR_code

By scanning these codes with your smart phone's/tablet's camera, it will take you to the web page that is related to the content of a particular page in this document. Most camera apps will do this automatically. You may have to download a separate app though – depending on your device's operating system. You can scan the code right from a video screen or from a printed copy as well.

Mark Verhagen (Little Chute)

Jason Weber (Kimberly)

Jason Nate (Kimberly)

A police commission is the civilian oversight authority of a police department. Wisconsin statute 62.13 provides for the creation of a police commission and defines their duties and powers. The commission has the authority over hiring, firing, discipline and promotions of sworn personnel within the police department. Some municipalities have a joint, police *and* fire commission. We have a separate police commission because Metro represents two villages. Each village has its own fire commission. Each village is represented with an equal number of commissioners (three).

Wis. § 62.13: <https://docs.legis.wisconsin.gov/statutes/statutes/62/l/13>

Organizational Chart

Reflects restructuring in August of 2018

Welcome!

We strive to enhance the quality of life in the community by proactively patrolling in an effort to detect problems that can have a negative impact on the community. By way of problem solving and community partnerships, we collaborate to identify solutions to issues that can have a negative impact on public safety.

Around 1829, Sir Robert Peel (considered the founder of modern-day, community-oriented policing) identified nine principles that he felt were critical to effective law enforcement in a community. His seventh principle states:

"Police, at all times, should maintain a relationship with the public that gives reality to the historic tradition that the police are the public and the public are the police; the police being only members of the public who are paid to give full-time attention to duties which are incumbent on every citizen in the interests of community welfare and existence."

To us this means that we are partners in public safety. We, as officers of the law must work collaboratively with the public in order to be effective and respected. 189 years later, this principle is still relevant and critical to successful community policing.

So, as we continue to improve our partnership with the community, please take the time to stop at one of our community programs/events and speak with us. We appreciate getting to know members of the community and letting you know a little bit more about who we are and what we do. If you can't make it to an event, feel free to call us or stop in at the police department.

Partnerships in Policing

Department Overview

The FVMPD is a full-time municipal law enforcement agency that is open and staffed 24/7/365. The primary mission of the department is to maintain law and order in the communities and respond to calls for service.

We utilize a philosophy of ***Partnerships in Policing*** in which we work collaboratively with the public and other departments to accomplish our mission.

Our guiding principles are **Compassion/Integrity/Professionalism when working with the public and each other.**

The Fox Valley Metro Police Department (Metro) currently serves the villages of Little Chute and Kimberly, Wisconsin. The combined population of both communities is just over 18,000 people. The primary mission of the department is to respond to calls for police services. In 2018, the department responded to about 12,000 calls for service. That's an average of 33 calls for service per day. A call for service can range in length and complexing from a traffic enforcement stop, accident investigation, barking dog, domestic violence up to a homicide investigation.

Some more information about the FVMPD...

The department is authorized 26 full-time, sworn officer positions by budget. Per capita (sworn officers) at Metro is at 1.4. The State average (Wisconsin.) is 2.3 per capita and national average is 1.6 sworn officers per capita.

Metro employs adult school crossing guards for both villages. Little Chute has eight (8) and Kimberly has four(4). We also have three (3) substitute crossing guards.

The department operates and maintains a fleet of 14 vehicles.

Patrol has 11 vehicles - SUV (8) & Sedan (3)

Administration and investigations use (3) Ford Fusion hybrids

The patrol vehicles average about 30,000 to 33,000 miles per year.

The department relies on and regularly uses 17 different software/hardware systems for a variety of investigative, operational and administrative functions. While technology is not the end-all for modern police work, it does make our work more efficient and safer.

We also have a strong social media presence via our FB page. This allows us to communicate with the public quicker and to a broader audience.

Little Chute, WI. 54140

2018 – A Year of Significant Change

2018 was a year of significant change for the Fox Valley Metro Police Department. In addition to no longer providing law enforcement services to the village of Combined Locks the department experienced some major personnel changes. Through it all, the department adapted and continued to render a high level of professional police services to the villages of Little Chute and Kimberly.

In 2017 the village of Combined Locks decided that it would no longer contact with Metro for law enforcement services. Combined Locks decided to enter into a contract with the Outagamie County sheriff's Officer for law enforcement services. The transition took effect on January 1st, 2018. This change had a major impact on department staffing and budgeting. About five (5) sworn officers were eliminated from the department's roster through resignations and retirements (16% reduction). The department's budget fluctuated over a three-year period when staff adjustments started regarding the C.L. department and the 2018 budget year – the first year without the C.L. partnership. During those three years the budget fluctuated up and down about \$200,000.00. Most of that was related to wages and Information Technology costs. I would note that the C.L. calls accounted for only about 10% of Metro's overall activity.

The staffing changes included the elimination of one of the two captain's positions, the Community Service Officer position and the rest were patrol officers. These position eliminations were accomplished through resignations or retirements.

News article regarding the Village of Combined Locks de-merger

Daniel M. Meister

Chief of Police

Office of the Chief

I had the honor and privilege of becoming the new Metro police chief on May 1st of 2018. I have been working in municipal law enforcement for 25 years. I have served in a variety of police departments/communities (big and small) and have held a variety of ranks and assignments.

I believe a chief's job is to first and foremost, provide the necessary resources to my staff so that they can do their jobs, efficiently, effectively and safely. We accomplish this by providing our staff with up-to-date equipment and training.

I also subscribe to a philosophy that everyone in the organization, regardless of rank/tenure is a leader. While the chief and other commanding officers are certainly responsible for being leaders within the organization, all members have the opportunity and responsibility of leading us through our mission.

Equally important is our relationship with the public and the communities we serve. Being new to Metro and "The Valley" in general, it didn't take long to see that the Fox Valley community supports their law enforcement partners. In my first year here, I have met numerous people and organizations that work collaboratively with law enforcement to better their communities. I, along with the entire staff at Metro will continue to work hard to maintain and strengthen those relationships.

2018 was a year of significant change for Metro but we adapted. Through all of it, Metro still provided a high level of professional law enforcement services to Kimberly and Little Chute. We will continue to adapt to social trends and cultural changes by being engaged with the public. We will accomplish our mission by holding ourselves accountable, being transparent and working collaboratively with our community stakeholders.

Administration Bureau

Kelly Vanden Heuvel

Administrative Manager

Administrative Bureau oversees the Clerical Division and Community Support Division.

The Clerical Division is staffed by two police clerks – one of whom is full-time and the other whom is part-time.

The Clerical Division is responsible for the following:

- Greeting customers
- Answering phone calls
- Records management
- Records requests
- Court Services
- Uniform Crime Reporting
- Supply management
- Property Control

The Outagamie County Sheriff's Office is the primary dispatching center for our department. However, our police clerks answer roughly 7,000 phone calls per year. They range from routine, informational requests to non-emergency calls for service to emergency situations. The majority of calls for service that require an officer to respond would most likely be transferred to the Outagamie County Sheriff's dispatch center.

Our department also receives about 400 to 500 records requests each year. These range from simple requests for copies of official reports to request for copies of digital media such as audio recordings and video footage.

The Community Support Division (CSD) is jointly managed by the Captain and Administrative Manager. The CSD manages community events, code compliance issues and starting in January of 2019, the adult school crossing guards for the Little Chute and Kimberly School Districts.

Police Clerks Fran Diedrick and Ann Vanden Heuvel

Jeremy Slotke

Captain of Police

Operations Bureau

The Operations Bureau consists of three divisions:

- Patrol Division
- Patrol Support Division
- Training & Development Division

Patrol Division

The Patrol Division is the backbone of the police department. Patrol officers respond to calls for service and proactively patrol the community to detect and deter problems. The Patrol Division is lead by three Police Lieutenants who each command a shift of patrol officers. In addition to their basic patrol duties, each lieutenant and patrol officer are also tasked with other, ancillary duties. Some of those duties are:

- Training instructors
- Social media group
- Vehicle maintenance
- Community outreach
- Animal control
- Honor Guard Team
- Code compliance
- Nuisance abatement
- Child car seat installation
- Bicycle patrol
- New officer field training
- Awards review committee

Patrol — Day Shift

The 2018 Fox Valley Metro Police Department Day Shift consisted of five officers:

- Officer Daniel Thorson
- Officer Jeffrey Nett
- Officer Brady Boucher
- Officer James Brandt
- Officer Edmund Slinde
- Lieutenant Mark Ulman

As a team, the day shift focuses on quality of life concerns and working with citizens to make the community safer. Each member of the day shift is the lead officer in their Community Oriented Policing (COP) District.

Day shift officers often routinely work in conjunction with the Department's Investigations Unit. They assist with the abatement process, the service of search warrants, and complex investigations.

Additionally, the day shift officers direct their efforts toward numerous community oriented and crime

prevention efforts:

- ❖ Performing physical security checks on businesses in the industrial parks and downtown
- ❖ Being present at local banks and credit unions when employees are arriving to open
- ❖ Performing physical security checks on the homes of residents who were on vacation
- ❖ Performing additional patrols in specific locations based on extra patrol requests from citizens
- ❖ Performing foot patrols in parks, the YMCA, and locations where children are known to congregate
- ❖ Being visible and performing traffic enforcement in school zones

Members of the day shift also serve roles as Outagamie County Multijurisdictional Emergency Response Team (ERT) members, Field Training Officers, and Honor Guard members, Certified Child Safety Seat Installers, Vehicle Maintenance Coordinator, Bicycle Patrol Officers, Firearms and DAAT Instructor, Mobile Data Computer MDC, IT updates, and Electronic Citation and Crash Report System Administrator.

Patrol — Afternoon Shift

The 2018 Fox Valley Metro Police Department Afternoon Shift consisted of six patrol officers, including one vacancy that was filled in August 2018 with hiring of Officer Schmacke. Officer Uebelher accepted a position in investigations as of January 2019.

- Officer Laura Oster
- Officer Randall Lefever
- Officer Jeff Steeber
- Officer Aaron Wanserski
- Officer Samuel Gueli
- Officer Nicholas Uebelher
- Officer Gary Schmacke
- Lieutenant Mark Wery

The afternoon shift is one of the busier shifts at the Fox Valley Metro Police Department, handling 1318 calls for service between July 1st, 2018 and December 31st, 2018. We strive to provide a high quality of life for residents in both of our communities, providing after school traffic enforcement and a presence in village parks and community areas.

Partnerships in Policing

FVMPD Honor Guard – Memorial Day Parade

Patrol — Night Shift

The 2018 Fox Valley Metro Police Department Night Shift consisted of five patrol officers. A vacancy was filled in May 2018 with the hiring of Officer Sam Pynenberg.

- Officer Michael Grumann
- Officer Philip Serres
- Officer Michael Gostisha
- Officer Michael Lambie
- Officer Sam Pynenberg
- Lieutenant Edmund Slinde

The Night Shift Officers focused on the following areas:

- ❖ Licensed establishment checks
- ❖ Investigating drug related offenses/residences
- ❖ Visibility in the bars as a crime prevention method
- ❖ Address ordinance/alcohol related violations and probation/parole violations
- ❖ Investigate suspicious people or situations
- ❖ Traffic enforcement

- ✧ Moving/Equipment violations
- ✧ OWI enforcement
- ✧ Parks patrol
- ✧ Ordinance violations (In park after hours, parking, etc.)
- ✧ Community policing and problem oriented policing efforts, including foot patrols at area hotels and businesses which establishes rapport and relationships.
- ✧ Building security checks- identifying security concerns at both residential and commercial properties (open doors, poor lighting, etc.)

Members of the night shift work closely with the department's investigations unit. Members of the night shift serve additional specialized roles such as Emergency Response Team Members, Field Training Officers, Unified Tactics Instructors, Honor Guard members, Bicycle Patrol members and Drug Recognition Expert.

Calls for Service

In 2018 the department responded to 12,737 incidents and/or calls for service. Some statistics for 2018 are as follows:

Patrol Support Division

The Patrol Support Division (PSD) exists to support the function of the Patrol Division. The PSD is comprised of two sections – The Investigations Section and the School Resources Section. The PSD is directly overseen by the Captain.

Investigations Section

The Investigations Section assists patrol by investigating some of the more complex crimes and incidents. An investigator may respond to an incident to assist patrol with some of the following duties:

- Crime scene management
- Crime scene processing
- Evidence collection
- Scene documentation and photography
- Victim, witness and suspect interviews
- Forensic analysis
- Search warrant preparation and execution
- Subpoena requests

The Investigations Section also can examine and download digital information from various electronic devices. The Investigations Section also participates in the Wisconsin Department of Justice ICAC (Internet Crimes Against Children) Program to reduce online child/sexual predators.

There were numerous large cases that the Investigations Unit assisted in or investigated in 2018. These included a homicide, residential and business burglaries, sexual assaults, physical assaults, major thefts, and several death investigations including suicide and other death scenes where the deaths were not by natural causes.

The Fox Valley area has seen a dramatic increase in drug overdoses, particularly by heroin and methamphetamine users. The Investigations Unit investigated several heroin overdose deaths in 2018. The Investigations Unit also served several drug warrants on homes and apartments and assisted the Lake Winnebago Area Drug Enforcement Unit in several other warrants.

Officer Stahmann has also led the Investigations Unit in multiple Internet Crimes Against Children cases. The Fox Valley Metro Police Department holds the safety of our citizens paramount, especially children. By conducting these types of investigations, we hope to make the world a safer place for our kids.

The Investigation Unit continues to expand their knowledge in the use of Cellebrite, which is a program for forensically analyzing digital evidence, such as cellphones and computers. In today's world, we are conducting cellphone analysis on many different types of cases, and this information is very useful for prosecution.

School Resources Section

The School Resources Section (SRS) is comprised of the Police School Liaison Officers (PSL's). The PSL's work within the schools to establish positive relationships with school staff and students. The PSL's investigate crimes that may have occurred within the schools or involve students or staff members. They also work with patrol on any status offenses that involve juveniles.

Metro currently has three officers assigned as PSL's. One is assigned to work with the Little Chute School District and two are assigned to work with the Kimberly School District. The number of PSL's and their assignments are determined by a formal agreement that Metro has with each school district. In addition to the work performed in the public schools, these officers also work with the parochial schools on an as-needed basis

A PSL is normally assigned to a school for a three to five-year period and then rotates back out into the patrol division.

The PSL's are more than just a police officer in a school. They participate in many curricular activities and form lasting bonds with students that often carry into their adult lives.

Some of the job responsibilities of the Fox Valley Metro Police Department PSL officers include:

- Promote prevention through education and communication
- Classroom presentations (bicycle safety, Halloween Safety, Bullying/Harassment etc.)
- Constitutional Law Education
- Drugs and alcohol enforcement
- Educating students on law enforcement's role in the community

Partnerships in Policing

The primary goal of the Fox Valley Metro Police Department PSL program is to foster positive relationships with the students and their families. By forming these relationships, the PSL officer builds trust and credibility, which allows them to work closely with students and their families to help solve issues and concerns. This helps students to see the PSL officer as more approachable and someone who strives for their well-being. Students are more comfortable coming to the PSL officer and reporting illegal activity and things that make them feel unsafe. This makes the school environment safer for all.

PSL's Dissen, Tesch & Stahmann – first day of school 2018/2019

Training and Development Division

The Training and Development Division (TDD) is responsible for providing formal training and professional development curriculum to all Metro staff members. The TDD is comprised of a variety of staff members who have various instructor and teaching qualifications.

By state law, all sworn law enforcement officers must undergo a minimum number of training hours per year to maintain their Wisconsin law enforcement certification. Metro goes above and beyond this minimum requirement to ensure that our staff is well prepared to meet current challenges in our profession. Some of the training we undergo is mandatory and others is selected based on current social trends, department needs and individual needs. Some of the basic training topics include:

- Firearms proficiency and yearly qualification
- Emergency vehicle operations
- Defense and arrest tactics
- First aid, CPR and AED
- Legal updates

Other topics can include:

- Professional communications
- Crisis intervention training
- Employee wellness

Investigators, PSL's and other officers also attend specialized training in their area of focus.

Metro is fortunate to have several in-house instructors who train our staff. These instructors are required to maintain their instructor certification by attending instructor development courses and teach a certain amount of training each year. This saves the department costs by not having to pay for a considerable amount of training that would be hosted by other organizations.

Some training is hosted by outside organizations/instructors when the topic is of a highly specialized nature or is something that our instructors are not certified in.

All officers training hours and curriculum is tracked by the Wisconsin Department of Justice - Training & Standards Bureau via the Acadis software program.

Total training hours for all staff in 2018: 2,136 hours.

Police Mountain Bicycle Training

Department Awards -2018

PSL Brandon Stahmann	Distinguished Service Medal
Lieutenant Ed Slinde	Distinguished Service Medal
Officer Laura Oster	Officer of the Year
Lieutenant Mark Wery	Meritorious Service Medal

Officer Sam Gueli	Letter of Commendation
Investigator Scott Van Schyndel	Meritorious Service Medal
PSL Brandon Stahmann	Meritorious Service Medal
Officer Mike Lambie	Distinguished Service Medal
Officer Aaron Wanserski	Life Saving
Officer Nick Uebelher	Meritorious Service Medal

Professional Partnerships – Volunteers at Work

The Fox Valley Metro Police Department works collaboratively with other community-based agencies to serve our communities more effectively.

Fox Cities Victim Crisis Response Team

The Fox Cities Victim Crisis Response Team is a volunteer-based organization that assists local police departments in providing the emotional support and referrals to victims of crime or those in crisis. The VCR's are called to scenes, incidents or meetings to support law enforcement in its mission of serving the public. The VCR's speak with victims or people in crisis in a confidential setting to better understand their needs. VCR's can also make referrals to other social agencies that may be better suited to serve the needs of these victims or people in crisis.

Outagamie County Chaplaincy Program

FVMPD, along with 11 other law enforcement agencies in Outagamie County are member agencies of the Outagamie County Chaplaincy Program (OCCP). The volunteer chaplains in our program are on call 24 hours a day, seven days a week. An officer can request the on-call Chaplain be dispatched to incidents where they feel a chaplain's presence could be beneficial. Additionally, the chaplains can provide support to employees and their families. Police chaplains are a valuable resource because of their education, experience, training and their ability to understand the nature of the unique challenges faced in law enforcement. Chaplains are prohibited from proselytizing or attempting to recruit members of participating agencies or the public into a religious affiliation while on-duty, unless the receiving person has solicited spiritual guidance.

Below are some of the valuable services and duties that the chaplains provide:

- ❖ Respond to an incident scene that may include, but not be limited to death notifications, major crash scenes, major fires, a suicide or an attempt of one, family problems, child and/or senior abuse or neglect, public demonstrations, or assistance to victims or families of victims.
- ❖ Visit seriously ill or injured members and/or family members of participating OCCP agencies.

- ❖ Willingness to conduct training for members of participating OCCP agencies.
- ❖ Currently there are four Chaplains on the roster

Outagamie County CERT (Community Emergency Response Team)

The mission statement of the CERT Rehab Team is to provide quality rehabilitation services along with a safe and secure resting area for all emergency response personnel throughout Outagamie County for extended emergency situations. The Rehab Service is defined as: "providing for the physical and personal needs of the individuals who respond to emergency situations. This includes providing food and fluid replenishment, rest for worn out emergency personnel, and emotional support."

The Rehab Service is structured to be a rapid or quick response service team for emergency situations considered to be long in duration - three hours or more - and can support multi-day events as well.

Rehab strives to provide the highest level of quality services possible to any fire, rescue, law enforcement, medical, and HAZMAT agency throughout Outagamie County. CERT-Rehab will attempt to do the following when requested:

- ✧ Relief from climatic conditions.
- ✧ Rest and recovery.
- ✧ Active and passive cooling
- ✧ Rehydration.
- ✧ Calorie and electrolyte replacement.
- ✧ Member accountability.

In 2018 CERT responded to several incidents that Metro was involved in and provided valuable resources (Food, water, shelter, etc.) to our staff so that they could focus on their job.

Community Outreach

As part of our *Partnerships in Policing* philosophy we believe that being engaged with the public is vital to our success and the success of the

community. Part of our mission success is based on public approval of what we are doing and how we are doing it. Two-way communication is one way that we are engaged with the community. Media releases about significant events and concerning behaviors help promote awareness.

We also have a strong social media presence. Metro's Facebook page is one of our main sources of communication with the public. We use social media to inform the public about incidents and trends and to promote events that we are hosting or participating in.

Metro also participates in several community events each year. Whether it is for public safety reasons (traffic control) or just participating because we are part of the community, Metro is happy to be involved.

Partnerships in Policing

Special Events

Each year Metro is requested or invited to participate in several community events. We are usually there for traffic control and crowd safety, but we also may have an informational booth present. Some of those events are:

- Memorial Day Parade
- Cheesefest
- Fourth of July Parade & fireworks
- Paperfest
- Bizarre After Dark
- Holiday Parade
- Bike to the Beat
- Fox Cities Marathon
- Rock Cancer
- Pat's Run
- Walk for Autism
- Numerous school events

Community Programs

We also host some of our own outreach events and provide the community with several other services.

FVMPD Events:

- Coffee with a Cop
- Custard with a Cop
- Cop on a Rooftop

Community Services:

- Child car seat installations and inspections
- Crime prevention presentations
- Business security surveys
- House vacation checks
- Bicycle safety programs
- LEAAP (Law Enforcement Addiction Assistance Program)
-

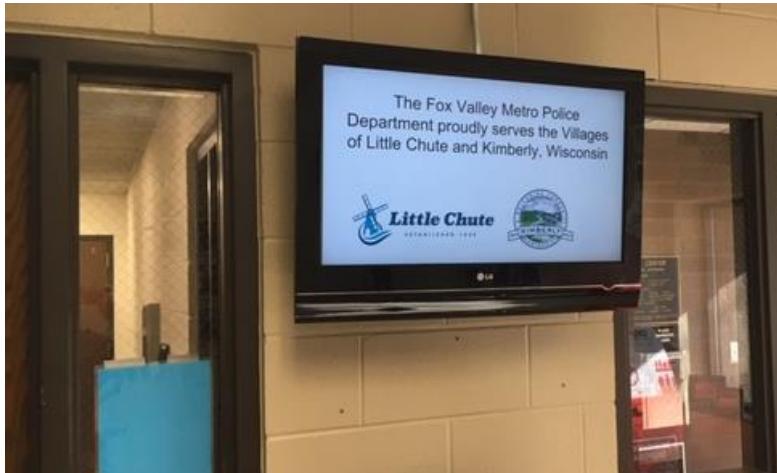

Metro Staff Out and About in the Community

What's new in 2018?

In 2018 we added a few things to improve our communications with the public and provide a higher level of services...

Informational Video Slide Show Display in Metro Lobby

Medication Drop Box in Metro Lobby

In 2018 we also changed some things regarding our patrol squad cars.

- Patrol vehicles are now black vs. dark blue
- The three-star circle was removed from the back and replaced with the American Flag
- Both village logos were added to the back-tailgate area.

Old circle representing the three villages we served (Little Chute, Kimberly & Combined Locks). Combined Locks left the partnership in 2017.

U.S. Flag added

New 2018 Ford Police Interceptor SUV in black

Our Communities

In Conclusion...

We hope this report has provided you with some valuable information and insight as to who we are and what we do from a public safety and community collaboration standpoint.

We look forward to growing - both as individuals and as an organization. By partnering with our community, it's people and the various organizations we work with, we are confident we can help to improve the overall quality of life in the villages of Little Chute and Kimberly.
